and  
Aspiring Authors

The Brevard Authors Society is dedicated to fostering a supportive community for writers and aspiring authors. Our mission is to provide a nurturing environment where literary talents can thrive and grow. Here's how we achieve this:

## **Supporting Writers and Aspiring Authors**

The Society is committed to helping both seasoned writers and those who have a passion for writing but are just starting their journey. We believe in the power of words and the importance of storytelling, and aim to offer resources and support to all members of our community.

## Opportunities for Growth

We provide numerous opportunities for growth and development, including:

- **Classes:** Our diverse range of writing classes covers various genres and skill levels, ensuring that there's something for everyone.
- **Speakers:** We regularly invite accomplished authors and industry professionals to share their insights and experiences with our members.
- **Contests:** To encourage creativity and recognize talent, we host writing contests where members can showcase their work and receive feedback.

## Information and Resources

To keep our members informed and inspired, we provide:

- **Local Information:** Updates on writing-related events, opportunities, and resources available within the local community.
- **Statewide Information:** News and information on writing events, workshops, and opportunities across the state, helping our members stay connected and engaged with the broader literary community. In conclusion, the Brevard Authors Society is more than just a group; it is a vibrant community of writers and enthusiasts dedicated to promoting literary excellence and providing the support necessary to help each member achieve their writing goals.
